PROBLEM STATEMENT

Mostly all the Companies facing a Employee attrition problem right now Which in turns affect their Business and spoils the company reputation.

The company is trying to find the reason for employee attrition and finding what are the factors lead the employees to attrition, we are going to help the company to find the factors and help the company to low the attrition level and retain their employees.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	HR of an orgaization	find reason for employee attrition.	it is unclear.	the data about the employees are not organised.	very hard to find reasons.
PS-2	Teamleader	find what are the factors lead the employees to attrition.	it takes time.	different type of datas are present.	time consuming work.
